## Welcome to Owasippe!

Dear Scouter,

2018 is going to be a great year at Owasippe Scout Reservation and we're glad you've decided to join us!

Pathway to Adventure Council and Owasippe's leadership have been working hard to prepare for an AWESOME summer adventure! We hope that at the end of your stay at Owasippe you leave looking forward to coming back as soon as possible!

In preparation for our 2018 program, we've reviewed feedback from scouts and scouters who attended in 2017 and are pleased to share some of our program changes and improvements to meet your needs and suggestions:

**Pathfinder First Year Camper Program:** Based on leader feedback, we've completely overhauled the Pathfinder Program for First Year Campers! Scouts enrolled in Pathfinder will attend each day from 9-12 and 2-3:30. In this time, scouts will have an opportunity to earn Swimming and First Aid merit badges, as well as work towards rank advancement! See the Pathfinder page in this guide for more information.

**STEM Badges:** Scouts will be able to access STEM-related badges and activities in their own section camps at Eco-Con/Nature and Handicraft program areas!

**Adventure Bus:** We've used your feedback to make changes to our activity and merit badge schedules to limit the loss of program time due to travel. We'll also be increasing the frequency of the Adventure bus routes.

**Ultimate Owasippe Adventure:** We've taken feedback on the organization and programs offered through our older scout program and enhanced the UOA to be an exciting week of activities for older scouts looking for something new and different in their summer camp experience.

Our goal is to provide you, our customers, a great summer camp experience and we are confident that we have assembled the right camp staff to do just that.

Please feel free to contact us with any questions, suggestions, or feedback.

Yours in Scouting,

Terry Dutton, Reservation Director

# PROGRAM AREAS

Each of Owasippe's section camps (Blackhawk and Wolverine) has 6 different program areas where Scouts can complete merit badges, hone their Scout Skills, and have fun.

Scouts also have the opportunity to participate in one of our many High Adventure programs. From a week-long COPE or ATV program, to an afternoon of river canoeing, to an hour of horseback riding or tubing behind a ski boat on Big Blue Lake, the Owasippe High Adventure program has something for everyone!

Finally, Owasippe Scouts can participate in some merit badges at our neighbor camp, Gerber Scout Reservation. Check the merit badge schedule in this guide to see what's available!

Owasippe is staffed by the most qualified instructors around, many of whom are Eagle Scouts and experienced staff members. Each program area is supervised by an area director. Our area directors go through a rigorous selection process where they must demonstrate proficiency in their area's subject matter, leadership skills, and teaching ability.

In addition to merit badge classes, most program areas host specialty and evening programs that do not fall into the traditional summer camp model. Be sure to check your daily schedule when you arrive at camp so that you don't miss out!

Aquatics is always one of the most popular program areas at any summer camp. With a wide selection of merit badges and program opportunities, almost every Scout is sure to visit the waterfront at least once during their stay.

# ECOLOGY & CONSERVATION / NATURE

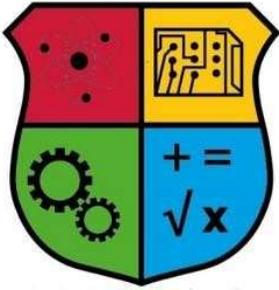

No matter what you call it, Ecology and Conservation (or Nature) is an important part of every summer camp. Owasippe boasts nearly 5,000 acres of beautifully wooded land and it's our job to preserve it. Nature Merit Badges teach Scouts many different aspects of caring for our planet and everything on it. This year, we are proud to introduce several new badges to our Ecology program including some STEM badges!

# HANDICRAFT / STEM

The Owasippe  
Handicraft

areas have undergone some big program changes for the 2018 camp season! Instead of having our STEM badges offered in a central location to both section camps, we are now offering those badges IN each section camp! This means less travel for your scouts and access to an even greater variety of badges!

STEM provides many unique opportunities for scouts. In their merit badges, Scouts learn to set up experiments, put together electrical circuits, and even build robots! The S.T.E.M. area takes concepts taught to scouts in their school, and gives them an opportunity to study the concepts in experiments.

# PATHFINDER – FIRST YEAR CAMPER

A Scout's first summer at camp is an important one. The Owasippe Pathfinder program is designed to make your Scout's first year an amazing experience. Experience shows that those boys who complete and enjoy their first week at summer camp are considerably more likely to continue with the Scouting program than those boys who do not.

Participants are placed in a model troop and divided into patrols, where they will spend the week. Our highly trained and energetic staff will work with first-time Boy Scouts to complete numerous requirements for rank advancement from Tenderfoot through First Class. Pathfinder Scouts will have the opportunity to earn 2 Eagle Scout required Merit Badges (Swimming & First Aid), will be highly proficient in the patrol method, and will have been provided a solid foundation of introductory experiences that will follow them through their scouting careers. They will also go on a five-mile hike! Scouts will complete nearly all of the outdoor requirements for Scout through First Class ranks!

Scouts will remain with Pathfinder Staff from 9am-noon, and from 2pm-3:30pm each day. This allows them 90 minutes each day to experience "open program" around the camp.

• **Note:** Owasippe will provide a list of all requirements completed with each unit's check-out materials. At that point, it is up to the Scoutmaster to certify each Scout's satisfactory completion of the material. Owasippe staff WILL NOT physically sign off on any requirement in a Scout's handbook. While we pride ourselves on the quality and rigor of the Pathfinder program, rank advancement is subject to the satisfaction of the unit leader. Our goal is to teach proficiency in the designated requirements so that the Scout is able to demonstrate the skill not only at camp to the staff, but at home to the unit leader as well. Unit leaders are invited and encouraged to visit the Pathfinder troop while in session to observe!

# SCOUTCRAFT

The Scoutcraft area is the cornerstone of outdoor & Scout skills at summer camp. Anyone hoping to become an Eagle Scout can surely tell you about the amount of time spent perfecting their knots and building pioneering projects. While all Owasippe staffers are proficient in outdoor & Scout skills, the Scoutcraft staff members are the Scout skills experts.

It is a unique challenge that requires a blend of concentration, balance, cooperation, communication and boldness. For an additional challenge, grab a partner and take a spin at our Giant's Ladder. This fun and exciting element not only helps build communication skills, but shows how proper teamwork can help achieve even the tallest of obstacles

**River Tubing/Canoeing** – Tubing provides some time off your feet and an opportunity to just drift along or plan a canoe trip down the White River. Trips are approximately one hour. Speak with High Adventure Staff upon your arrival at camp to discuss which adventure is best for you.

**Fishing Outpost** – Go out on the lake with an experienced Staff Member to a prime fishing spot! You'll have the opportunity to cast your lines in some of the best areas of the lake to pull in that trophy catch!

**Wrangler Outpost** - An overnight program which scouts (aged 13 and up) and leaders alike will be able to spend the night in a tepee at the ranch! After a long trail ride, participants will enjoy dinner over an open fire, play games, learn about horse history and branding, swap campfire stories, and more!

**Weekend Canoe Trips** – Troops staying in camp for more than one week are offered a unique opportunity to fill some of that extra time at camp. Trailers packed with canoes, paddles, and PFDs will be waiting for you to begin your excursion down the white river. # ULTIMATE OWASIPPE ADVENTURE

Experience the Reservation and many of its High Adventure programs in a completely unique manner. Hike the trails, fish the lakes, horseback riding, a special canoe trip, and much more awaits you. Fill your week with exciting new opportunities developed for older Scouts.

This program is for campers 14 years and older who are First Class Rank or above, and are returning campers.

This high adventure program challenges Scouts in an exciting week-long adventure with something new each day. Scouts will have the opportunity to see and do things around Owasisippe that most other Scouts will not get to see or do.

Owasippe has partnered with our neighbor camp, Gerber Scout Reservation, to utilize some of their unique program features. Scouts will have to take the Adventure Bus or get a ride from a leader to attend these badges. Space is limited, so sign up early!

Not many people get the chance to experience Welding or Blacksmithing in their everyday life but at Gerber you can do just that!

### Merit Badges

- Metalworking (Blacksmithing) \*
  - Welding\*
  - Mountain Boarding^

\* Metalworking & Welding Merit Badges both have a minimum age of 13 years old and require the participant to have long pants and long sleeves (no synthetic materials).

^ Mountain Boarding requires participants to be a minimum of 14 years old

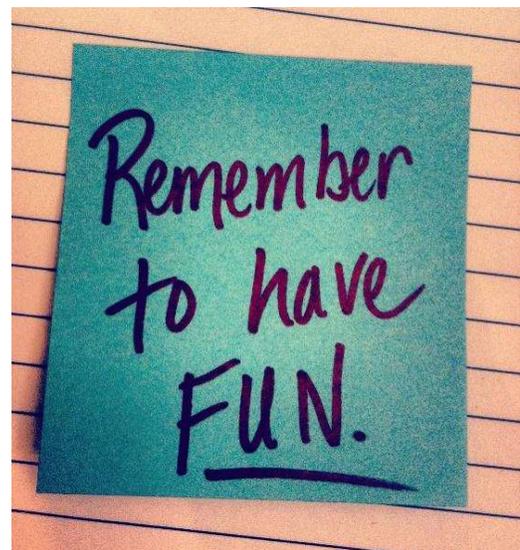

# MERIT BADGES

Most badges can be started and completed at camp, but the completion of requirements is subject to many factors, including unforeseen weather, attendance in class, effort outside of class, and the satisfactory completion of merit badge requirements.

Some badges require that the scout have certain requirements completed before he arrives at camp. *If you don't see a badge listed on the prerequisite list on page 20, then it should be assumed that all requirements can be completed while at camp.*

Merit Badges are a very large part of what camp is all about. But more important than earning merit badges is having fun! We encourage all scouts to take as many badges as they would like, but also to leave some free time to enjoy all that Owasippe has to offer. Many of our program areas offer open time in the afternoons; Scouts can climb, swim, shoot, or just hang out at the Trading Post and play Gaga ball! Summer camp is more than just Merit Badges, make sure you get the full Owasippe experience!

In order to save time and stress for our unit leaders, signing up for all Merit Badges and High Adventure programs is done through the Pathway To Adventure online registration system. Once you've registered your troop and entered in all of your camper information, you can sign start signing up your scouts for their classes! You can even assign your scouts their own login information so that they can sign themselves up!

As you sign up your scouts, the programs that have additional fees (see page 22) will be automatically added to your unit's final total. It is up to the unit to collect any fees from individual scouts.

# ADVENTURE BUS

Some badges or activities may require Scouts and Leaders to go to other parts of the reservation that are not within a reasonable walking distance. To help with this, Owasippe is happy to offer the Adventure Bus! Hop on the bus at your nearest stop and it'll take you where you need to go. Bus Stops and Schedules will be given to you when you arrive at camp. Based on Leader feedback from 2017, stops and routes have been optimized to minimize lost program time.

# THE ORDER OF THE ARROW AT CAMP

The Order of the Arrow is Scouting's national honor society, composed of those individuals dedicated to the highest ideals of the Scouting movement. OA service, activities, adventures, and training for youth and adults are models of quality leadership development and programming that enrich and help to extend scouting to America's youth.

OSR is proud to partner with Owasippe Lodge to bring those ideals to our summer camp. OSR, in conjunction with Owasippe Lodge, offers Callout Ceremonies, the Ordeal Ceremony, and Brotherhood Conversion.

## Ice Cream Social

All OA members (regardless of lodge) are invited to join Owasippe Lodge for an Ice Cream social. Members can learn how they can get more involved with the OA in their Troop, in their Lodge, and at Camp.

## Callout Ceremony

The Callout Ceremony on Wednesday evening is the highlight of the day. All Scouts and leaders are invited and encouraged to attend the ceremony as candidates for induction into the Order are called out before their peers. This ceremony is the public highlight of the Order at camp, and we encourage all to attend.

*\*\*Units from other OA lodges will need to bring a letter from their local lodge to camp to have their Scouts called out\*\**

## The Ordeal

Candidates who wish to become members in the Order are required to complete their Ordeal, a process by which they demonstrate their commitment to the ideals of the Order of the Arrow. Scouts who are called out on Wednesday night will be given the option to immediately begin their Ordeal. Every effort will be made to provide opportunities for Ordeal candidates to complete their merit badges in addition to participating in the Ordeal. Scouts who wish to wait may complete their Ordeal at a lodge fellowship in the fall or spring.

*\*\*Units from other OA lodges can not have their Scouts complete their Ordeal with Owasippe Lodge and will need to contact their home lodge for induction information\*\**

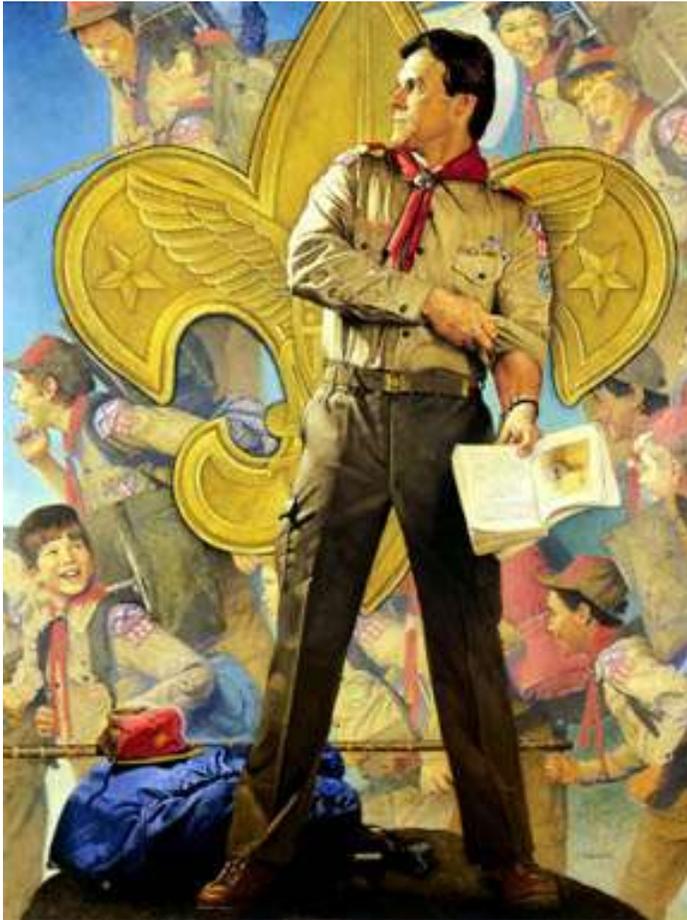

## Brotherhood Conversion

OSR and Owasippe Lodge will continue to offer the opportunity for Ordeal members who wish to seal their membership in the Order through the Brotherhood Ceremony. Anyone interested in sealing their membership in the Brotherhood should speak to the OA Coordinator no later than Tuesday lunch. The Brotherhood Ceremony will be held on Thursday night.

## Current OA Members

In the spirit of Cheerful Service, we ask that all Arrowmen attending camp seek out ways to help in our OA Program. See the OA Coordinator or your Camp Commissioner for ways you can help!

# ADULT LEADERS AT CAMP

Adult Leader participation at camp is the key to a successful and memorable experience for our Scouts!

There are many ways adult leaders can help the Camp Staff put on a world class program. Make sure to ask your Camp Leadership how you can help!

Every adult has special skills or abilities that may be helpful. If you are certified or skilled at something specific, please let us know if you're willing to share your talent and we'll let you know how you can help!

Some suggested ways to help:

- Volunteer at the waterfront to be an "observer"
- Stop by the Pathfinder area and offer to help teach Scout Skills
- Offer to assist the kitchen staff clean up after a meal in the Dining Hall
- Volunteer to help the Ranger Staff

There will also be several opportunities throughout the week for leaders in camp to receive official BSA trainings. The training schedule is still being prepared, but some likely trainings are Leave No Trace, Safe Swim Defense, Safety Afloat, Climb On Safely, Trek Safely, and a special training about the Order of the Arrow & Your Troop! Be sure to check in with your Camp Commissioner to find out what's available!

# SPECIAL PROGRAMS

**HIKING TRAILS:** Owasippe has a vast network of hiking trails for you and your scouts to explore! The trail system is one of Owasippe's oldest program resources. Many of these routes pre-date Owasippe and served as Native American, Pioneer, and logging routes. Hiking patches and segments are available for purchase in the main Trading Post. Trail maps are available online and in all the camp office buildings.

## OWASIPPE DIGITAL FOREST STEM CHALLENGE:

As your patrol hikes the trails of Owasippe, be sure to bring your compass and smartphone with you, or ask to borrow one of our tablets.

Scan the light green QR codes on the trail distance markers (these are the trail posts with 2 QR codes) looking for posts offering the Owasippe STEM Trail Challenge. After you scan a STEM Trail Challenge code, read the question and calculate the answer (You may need a protractor app or compass to find angles and use a calculator app to solve problems).

Using your phone, submit your answer along with your camp name, site number and patrol name using your smartphone. If your answer is the first correct answer submitted for that camp period, your entire patrol will win pins (10 pins max per winning patrol), which will be awarded at your section camp's closing campfire.

There is 1 challenge per trail (Blue, Orange and Red trails) and 1 patrol can win each challenge per week. The challenges change every Saturday morning so 2 week troops can participate both weeks.

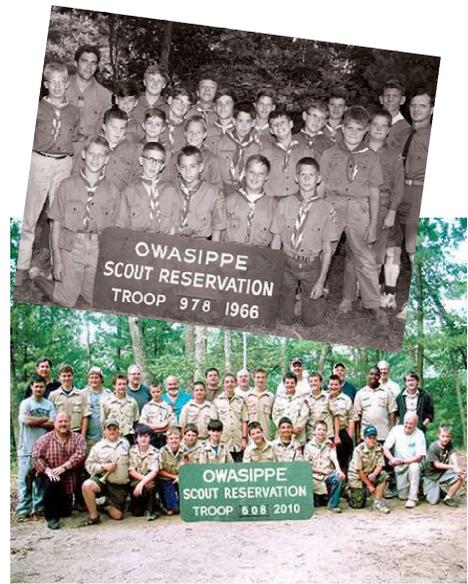

Each STEM Trail Challenge activity has a different challenge or challenging aspect and a different pin design based on the activity.

**BLOOD DRIVE:** Help save lives *and* help make Owasippe better! Each Friday during the summer camp season, Scouts and Leaders who are at least 16 years old will have the opportunity to donate blood through Michigan Blood. For each person that donates, Michigan Blood will donate \$10 back to Owasippe to be used to help us continue to improve our programs and facilities! 16 & 17 year-old Scouts will need to have a permission slip signed by a parent or guardian (see page 34) and ALL donors will need to have a photo ID. There will be an online signup for donations, that link will be sent to unit leaders once it becomes available. You can also sign up to donate once you arrive at camp.

**TROOP PHOTOS:** Commemorate your Owasippe experience with a professional photograph of your entire troop! Troops will have the opportunity to sign up for their group photo when they check in to camp. Photos are \$6 each and will be available before you leave camp. Don't miss out!

**BADEN POWELL TROOP AWARD:**

Does your Troop have what it takes to earn the Baden Powell Award? Troops will be graded throughout the week on things like cleanliness of the campsite, use of the Patrol Method, and sanitation. Check with your Camp Commissioner when you arrive at camp to get the most up-to-date inspection sheet.

I understand that participation in the activity is entirely voluntary and requires participants to abide by the rules and standards of conduct. I release the Boy Scouts of America, the ATV Safety Institute, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all claims or liability arising out of this participation.
